Spring/Summer 2005

Volume XIV

May-August 2005

I hope that everyone is off to a great start in their baseball seasons. This winter went by so quickly, it is hard to believe that we are already into the early part of the baseball season. It has become a good part of our day to read the Newsday or go to the web and read about all of our high school, college and pro players. It is difficult to keep up with all of our little league and youth league players so we have come up with an idea that would be nice if we can get your help. We would like you to email us a little summary of a great game, or a game saving play in the field, game winning hit, etc. We re going to post it in our All Pro gallery for everyone to see and share. It is a nice thing to see all of these players have such good experiences after a long winter of working hard and fighting the snow on an almost weekly basis. Email us that summary to [info@allprosportsacademy.com](mailto:info@allprosportsacademy.com). We will be looking out for it so send it today!!!

## Just a couple of reminders to all players.

Take care of your arms and legs in this cold damp spring weather. Pitchers should always keep a jacket on between innings. Proper rest in between pitching appearances is a must.

Keep yourself in shape. If you worked out at **Infiniti Performance** this winter then we know you are in good shape. Don't stop now you should be in a maintenance mode and not letting up. Remember the competition is probably doing it.

Be respectful on the field. Don't let your competitive fire get the best of you in the game. Remember the umpires are human too. They do make mistakes, as do coaches, teammates, and yes Moms and Dads too (very rarely, but they do).

Losing is an unfortunate reality in this game, we must learn to deal with losing. When we learn to lose with dignity is when we truly become winners.

## Summer Camp 2005

Enclosed in this edition of our newsletter is our full lineup of summer camps for both baseball and softball. We are very excited for this summer to begin because we have made some very nice additions to our staff and have tuned up our programs. Please read on and don't forget to look out for some of our internet specials that might be in your next email from us.

- Paul Gibson

## DIRECTIONS:

Exit 56 off Sunrise Highway. North 1/8 mile on west side of Station Road.
